NORTH STAR

Alone it stands, majestic and proud ... the final hope to Earth's savagery and overpopulation ... North Star, a glorious space station orbiting serene tranquility, too much tranquility ... preparation should be underway for the final evacuation. Communications are dead, scientists cannot be raised ... a dreadful gloom overtakes the population ... has their last hope gone? Only one can find out, only one has the necessary powers. That one is you ... a unique being on a mission to rescue a unique project.
